

### **Jannie Steenkamp**

My son Michael had been asking me for a number of years to come with him to the MMC weekends but these pleas fell on deaf ears. He persisted and asked me to go to Loftus For Jesus in July 2008. I agreed to go if only to get him off my back - little did I know that would be the turn around day in my life. At 15.30 on 19 July when Angus called for those wanting to ask Jesus to come into their lives I was one of thousands who stood up for our Lord and Saviour and my life changed for the better for ever, praise be to God.

When the bookings for the MMC 09 opened I think I was one of the first to book and give praise to our Lord that my 3 brothers, their 2 sons and my son, Michael, were able to attend. This was the first time that all the Steenkamp brothers and all their sons had made a decision to give up a long weekend for Jesus and not go fishing or hunting etc. My two older brothers both made a commitment for Jesus and accepted him as their saviour and redeemer, thank you, JESUS AMEN !!!!!.

On Saturday we were all called to the stage area and informed of Angus' collapse . We joined thousands of men in praise and worship. Andy informed us that a helicopter was on the way to take his father Angus to the Pietermaritzburg hospital ICU. He asked us to get into groups of 4 or 5 and pray for Angus. We got into these small groups of men and started to pray. I have never heard men pray with such commitment and heart felt warmth for Angus and I can tell you there was not a dry eye amongst us. I believe with all my being that that was when our Lord Jesus heard all the prayers of thousands upon thousands of Men Of Promise and He healed our brother in Christ, Angus. We all say Thank You Jesus and give you all the honour and glory.
